Dear Jeeva, I hope this message finds you well. I am writing to inform you of an urgent situation affecting Delta, Kaveri, Tamil Nadu. We have received a significant rainfall of 149mm in the last 24 hours, which is an unprecedented and dangerous situation. The water level in the region is now at 350.00m. This is a critical situation that requires immediate attention and action. We are currently facing a high risk of flooding, and the water levels are increasing at a rapid pace. Our emergency response team is on the alert, and we are working continuously to ensure that you and your loved ones are safe. We have instructed all residents to evacuate the area as soon as possible. The evacuation will commence immediately and we will be providing necessary evacuation instructions for you. Please ensure that all family members are aware of the evacuation instructions before departure. We are urging you to take all necessary precautions, such as closing windows and doors, securing furniture, and leaving valuables in a safe place. Please also ensure that your pets are safe and well. We are taking all necessary measures to ensure that the situation is managed in a responsible and effective manner. If you are unable to evacuate, please inform us immediately. We are committed to providing you with the assistance that you need. We are confident that we can manage this situation and ensure that everyone is safe. Please do not hesitate to contact us if you need further assistance. Thank you for your understanding and cooperation in this matter. Sincerely, The Rainly Flood Control Room Rainly Flood Warning System Note: Ensure that the email is sent promptly to avoid any delay in action.
